Yoga is the journey of the self, through the self, to the self.

- The Bhagavad Gita

We invite you to embark upon a Sacred Arts healing journey and explore new ways to cultivate peace, strengthen your inner power and deepen your connection with others. **Integrative Kundalini Yoga with Savitri**

Kundalini Yoga, known as the Yoga of Awareness, as taught by Yogi Bhajan PhD is a dynamic blend of postures and movement (asana and kriya), therapeutic stretching, mantra, breathing (pranayama), meditation and relaxation. Using yoga kriyas the teacher leads routines directed towards specific life issues; relieving stress and fosters strength, radiance, confidence and a return to our essential selves: "happy, healthy, and holy". Savitri teaches meditative yoga that honours your body and nature. After establishing natural breathing she adds gradual movements, grounding into the earth while lengthening into stretch to create ease, space and longevity in the spine and joints. This graceful approach respects our bodies, develops self-acceptance, activates healthy breathing, clears and stills the mind and connects the student to the whole of life in the quiet spaces between breaths.
